Francis Ganapin, Valenzuela

09956336290 | fracisganapin7@gmail.com | Valenzuela City

https://github.com/francisganapin

Expectation:

 I want to enhance my skills in software and website technology. I believe that
MetacomCareers.

 would give me the opportunity to be "intern". I dint' expect much about salary but I would like

try my skills.

SKILLS

Pytq6 – easy to deploy Gui on Python

Django Framework – For backend of website

Pandas **–** For data Science

R – For data Science

MySql – Relational Database

JavaScript- Main Programming language for Frontend and Backend
